

GP CARRIED INTEREST DISTRIBUTION STATEMENT

Apex Capital Fund IV, L.P.

Final Carry Reconciliation — December 31, 2030

1. Carried Interest Summary

This statement summarizes the General Partner's carried interest received over the life of the Fund, net of the clawback returned to Limited Partners.

Item	Amount
Gross Carried Interest Received (all distributions)	\$38,200,000
Clawback Returned to LPs	(\$8,800,000)
Net Carried Interest	\$29,400,000
Federal Tax on Carry (23.8% LTCG assumed)	(\$6,997,000)
State Tax [NOTE: Not included — GP domiciled in NY; ~10.9% state rate would add ~\$3,205,000 in tax not accounted for]	\$0
Net After-Tax Carry (federal only)	\$22,403,000

2. GP Entity Distribution

The net carried interest of \$29,400,000 will be distributed to the members of Apex Capital Management IV, LLC in accordance with the GP's internal operating agreement.

[NOTE: The allocation of carry among GP principals (Marcus J. Wellington and other members of the investment team) is not disclosed in this statement or in any document provided to Limited Partners. Best practice and certain LP side letters require disclosure of carry allocation methodology to provide transparency on GP principal incentive alignment.]

3. Carry-on-Carry Consideration

The GP confirms that no additional fees or charges have been applied to the carried interest amounts. Management fees received over the Fund's life totaled \$57,500,000 (10-year average \$5,750,000/year), all of which were offset by monitoring and transaction fees as required by LPA Section 5.3.

4. Tax Treatment

The carried interest is characterized as long-term capital gain to the extent attributable to portfolio investments held more than three years under Section 1061 of the Internal Revenue Code (the 'Carried Interest Rules'). All portfolio company investments were held more than three years at exit.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
