4. INDIVIDUAL LP ALLOCATION

Each Limited Partner will receive a separate distribution statement setting out its pro rata share of this distribution, calculated based on its percentage interest in the Partnership as of the Record Date. The LP allocation statements will be despatched by the Administrator within 5 Business Days of this notice.

5. DIVIDEND REINVESTMENT PLAN (DRP)

The Partnership offers a Dividend Reinvestment Plan ("DRP") allowing Limited Partners to elect to have all or part of their income distribution reinvested in additional limited partner interests in the Partnership rather than received in cash.

DRP Mechanics: LPs electing the DRP will have their reinvested distribution amount applied to increase their capital account at the Partnership's current NAV per unit as at the Record Date (15 January 2026). The current NAV per unit is GBP 1.1842, reflecting a 18.4% increase since Initial Closing.

DRP Election: LPs wishing to participate in the DRP for this distribution must notify the Administrator in writing by the DRP Election Deadline of 24 January 2026. LPs may elect to reinvest 25%, 50%, 75%, or 100% of their distribution. Elections received after the DRP Election Deadline will be treated as a cash distribution election.

Partial DRP: LPs may make a partial DRP election. Any uninvested portion will be paid in cash on the Distribution Date.

DRP Standing Election: LPs who have previously filed a DRP standing election with the Administrator will have their election applied automatically to this distribution unless they have notified the Administrator of a change prior to the DRP Election Deadline.
