Dated as of March 15, 2034

This document contains confidential and proprietary information. Unauthorized distribution or reproduction is strictly prohibited.

1. Distribution Composition

Preferred return of 8.25% per annum has been applied in calculating the distribution waterfall. The LPA specifies 8.00% per annum. The 0.25% discrepancy results in approximately \$142,000 of excess preferred return deducted from LP distributions.

2. LP Distribution Schedule

Note: Distribution to Pacific Coast PERS has been withheld pending resolution of the outstanding distribution dispute. Other LPs are not informed of this withholding in their individual distribution notices.
