Final Liquidating Distribution

June 30, 2035

Dated as of June 30, 2035

This document contains confidential and proprietary information. Unauthorized distribution or reproduction is strictly prohibited.

1. Final Distribution Summary

This notice announces the final liquidating distribution of Meridian Secondaries Fund I, L.P. All remaining portfolio positions have been realized. Total gross proceeds distributed over the Fund life: \$2,187,000,000. Total capital returned: \$1.81x MOIC net.

2. Final Waterfall

The final distribution waterfall has been calculated at the aggregate Fund level. Total preferred return earned: \$342,000,000. Total GP carried interest: \$87,500,000. Note: two LPs (Pacific Coast PERS, DAF III) have not received full preferred return on a per-LP basis due to timing differences in capital deployment.

3. Per-LP Distribution

Each LP will receive their pro rata share of the final distribution based on capital commitment percentage. A detailed breakdown by CV transaction is not provided in this notice; it will be included in the final K-1 and dissolution report.
