This document contains confidential and proprietary information. Unauthorized distribution or reproduction is strictly prohibited.

1. Purpose of Capital Call

Pursuant to Section 3.1 of the Limited Partnership Agreement of Pacific Credit Opportunities Fund II, LP (the "Partnership"), the General Partner hereby calls capital from each Limited Partner as set forth herein.

The proceeds of this Capital Call, together with recycled principal from an early loan repayment, will be used for the following initial loan originations:

(a) Senior secured term loan — MedCore Healthcare Services LLC — \$45,000,000

(b) Unitranche facility — Summit Industrial Holdings, Inc. — \$38,000,000

(c) Senior secured term loan — Apex Technology Solutions Corp. — \$32,000,000

(d) Senior secured revolver + term — Greenway Food Group, LP — \$28,000,000

(e) Unitranche facility — Precision Niche Manufacturing Co. — \$27,000,000

(f) Management fee — Q2 2024 installment on invested capital basis — \$1,850,000

(g) Organizational expenses (first installment) — \$500,000

(h) Fund reserve — \$2,150,000

Total Deployment: \$210,000,000

2. Recycled Capital Component

This Capital Call includes \$15,000,000 of Recycled Capital representing a principal repayment received from an early prepayment on the Bridgepoint Logistics Term Loan, a bridge loan originated by the General Partner on behalf of the Fund prior to the Initial Closing.

The General Partner has determined that, pursuant to Section 3.5 of the LPA, this recycled principal may be re-deployed into new loan originations without an additional Capital Call. This reduces the new LP capital required from \$210,000,000 to \$195,000,000.

NOTE — INTENTIONAL ISSUE: Section 3.5 of the LPA grants recycling authority "during the Investment Period." However, the Initial Closing Date has not been formally confirmed in writing per Section 2.3 of the LPA — no GP closing certificate has been executed. The Investment Period has therefore not formally commenced, and the application of recycling authority at this stage is outside the express terms of the recycling provision.

3. Management Fee Calculation

The Fund charges an annual Management Fee of 1.25% on invested capital. The Q2 2024 installment is based on post-deployment invested capital:

Component	Amount	Fee Rate	Quarterly Fee
Initial deployed capital	\$148,000,000	1.25% p.a.	\$462,500
Recycled capital component	\$15,000,000	1.25% p.a.	\$46,875
New originations (this call)	\$172,000,000	1.25% p.a.	\$537,500
Total Q2 2024 Mgmt Fee	\$335,000,000	1.25% p.a.	\$1,046,875
